

Due to the significant demand of our EnergySaver products worldwide, we are currently looking for qualified LICENSED ELECTRICIANS & INSTALLERS throughout the world.

Our own manufacturing plant enables us to offer our product at a cost significantly less than other companies currently retailing similar-type Power Saving devices.

If you are looking for an opportunity to INSTALL a product that offers:

- 1. Easy-to-install directions**
- 2. Full training and support**
- 3. Monthly savings to the customer from 8-38%**
- 4. 90 day Money-Back Guarantee if no reduction on usage**
- 5. Reduces cancer causing EMF's by 40%**
- 6. Protects electronic and motorized equipment**
- 7. Reduces the electrical demand and consumption**

Then please contact us at:
